Friends, Goodnight! Go home and say,
"My dear, I was the first to come away."

The Master Mason

My Father was a Mason
And to his lodge did go
My Son he said come join us
And make this nation grow

A nation joined together
That will walk hand in hand
And make this grip of Friendship
Known throughout this mighty land

A nation joined together
How happy we shall be
When every man around us
Has taken his Third Degree

So let us honour our humble lodge
And keep its name held high
By being Masons good and true
Until the day we die

And from discord let us be free
By what we say and do
And be proud that we are Masons
From Lodge Bannockburn 312
